

## Multifunction calibrator promo

Now through the end of March get 15% off a new, state of the art PIE Multifunction calibrator.

Use promo code "multipromo" when ordering through our on line store or call us direct at (585) 872-9350.

*Did you know PIE calibrators are designed by the same engineer as your old Atek calibrators?*

Now is the time to upgrade to:

- a smaller, lighter unit
- an easier to use unit
- newer, more innovative features
- patented diagnostics
- state of the art electronics

Practical Instrument Electronics
